DEDICATION

We, the class of 1961, wish to dedicate this annual to Eldon Keil who has unselfishly given much of his time and energy to not only our class, but also to the school. His outstanding coaching ability led G. H. S. to much success. He has shared our happiness and our sorrows. Therefore, we dedicate this Minnewascan to him.

FACULTY

To the class of 1961:

This book is the record of your class during your high school days. It is the hope of the administration that the record for you as individuals is a good one, filled with much worth while activity and scholarly achievement.

May the years ahead of each one of you be filled with continued activity and achievement.

Best wishes to all,
W. C. Cameron

To the members of the class of 1961:

This is your yearbook. Certainly it will serve as a reminder of your many and varied activities. May your memories be pleasant, and your future bright.

As graduates, you will carry away with you the foundations of thought, word, and action. These will serve as the visible results of your training and preparation for the life that you are to live.

I wish you success and happiness in your chosen field.

Sincerely,
John C. Norton

CLASS FLOWER Carnation

CLASS MOTTO A rolling stone gathers no moss.

CLASS SONG To you our friends we bid farewell, as we go on our way. So long our friends of Gladstone High, we'll think of you each day. We've had our share of happiness throughout our high school years. To stop and think that they are through, brings us almost to tears.

But now that we have reached our goal, our high school days are through. It's not as nice as we had thought; we're really kind of blue. So now we leave you with this thought wherever we may go. We'll ne'er forget old Gladstone High and the friends that we love so.

PROPHECY

The graduating class of 1961 from Gladstone High School played an important part in the 1980 Presidential Inauguration held here Friday. President Terry Domres was sworn in by Chief Justice of the Supreme Court, Lee Ross, as Laura Sabourin sang the National Anthem., Distinguished members of the cabinet taking office included: Betty Thorbahn - Secretary of State, Richard Olson - Secretary of Agriculture, and Cinda Oja - Postmaster General. The inaugural speech was written for the President by his personal secretaries, Virginia Jarvis, Sandy Tordeur, and Bonnie Anderson. The ceremony ended with a dramatic reading by Janice McCauley, famous orator.

Leading the inaugural parade were John Grenier and Jack Shiner of the Secret Service. Riding in the highly polished cars of the Presidential Fleet, managed by Jerry Ebbesen's Curb Dusters, and driven by Dan Creten, Tom Hite, and Joe Rose, were ambassadors: Gray Pfiester, Robert Sodergard, Calvin Bovin, Gary Micheau, and Dennis Fraid. Next in the parade came the United States Band with Connie Fisher leading the twirlers. A model of the new space ship designed by the top engineers, Mike Hammond, and Larry Kallio, followed the band. The parade ended with a spectacular float of the President's high school, built by the country's top builders, Karl Zimmel, and Harold Ross.

Early on Inauguration Day the fillibuster in the Senate, lead by Ann Klien, ended. This enabled those famous senators and congressmen, Jerry Niedermaier, Loma Gereau and Elizabeth Erickson, to attend the inauguration. They had just approved the annual budget prepared by Cheryl Stade, chairman of the Bureau of the Budget.

The Inaugural Ball was the high light and closing event of the day. The First Lady, the former Gayle Davis, appeared with an outstanding hairdo created by Kathi Adams and Jean Londo. Her lovely gown was designed and made by the famous fashion expert, Janice Hamilton. Karn Sepic's band played for the Ball, while Jim Sabourin, accompanied by Gail Bryant, sang the President's favorite songs. Some of the well-known personalities seen at the Ball were: Air Force General, Mike Hutchison, Frank Butler of the Naval Rescue Team, and those famous lovers - Judy Schmitt and Dave Eagle. The Coach of the Year, Jim Schram, was seen dancing the "light Fantastic" with Doctor Roberta Watson. To please the dancers, at one end of the ballroom a booth was set up in which nurses Judy Keldsen and Mary Johnson attended the dancer's sore feet. Bob Anderson, Ambassador to Russia, and Beaty Newhouse, Press Secretary, spent a great deal of the Ball nursing their sore feet there.

Noted press reporters, Jean Carlson and Marilyn Peterson, covered the affairs, interviewing such famous authors as Joe Roberts, and Wanda Thorbahn. Hors d'oeuvres for the Inaugural Ball were prepared by such famous cooks as Judy Nelson, and Nath VanBrocklin, while well-known hostesses, Carol Cretens, Linda Lamberg, and Carolyn Johnson served them. The entire Inauguration Day was an exciting and beautiful event for all.

NATIONAL HONOR SOCIETY

The National Honor Society was formed in Gladstone four years ago by the faculty as a way of recognizing those students whom they felt set examples for the rest of the student body in their studies as well as in character, leadership, and service. It is a nation-wide organization, and each chapter must obtain a charter from the national headquarters.

Members are chosen from the Sophomore, Junior and Senior classes in the spring of the year at a tapping ceremony. Members must maintain a "B" average and may not receive more than one "C" per semester in order to remain a member.

FIRST ROW: K. Johnson, Mr. Grenfell, D. Ryan. SECOND ROW: G. Davis, L. Apelgren, L. Sabourin, C. Stade.

STUDENT COUNCIL

This year the Student Council was very active. The new officers for the school year 1960-61 were: President, Terry Domres, Vice President, Gary Buchmaster, Secretary, Gayle Davis, and Treasurer, Linda Apelgren. Mr. Pfotenhauer was our advisor.

Highlights of the year included publishing the student hand book, planning the homecoming celebrations, sponsoring the annual Halloween dance, planning the Thanksgiving program, and sending clothes to a needy family. Following our previous policy, we also supplied oranges to the basketball players during home games.

Several members, accompanied by Mr. Pfotenhauer, attended the U.P. Student Council Conference in Marquette.

DEBATE

The debate topic for the year was "Resolved" that the United Nations should be significantly strengthened."

Early in November the varsity team (affirmative, Cheryl Stade and Terry Domres - negative, Gayle Davis and Sally Hupy) attended two practice debates in Escanaba and Marquette. The junior varsity also attended these practices. The varsity qualified for the semi-finals in the Debate Tournament in Marquette.

On January twenty-seventh the varsity traveled to Northfield, Minnesota for a Tournament at St. Olaf's College where they won three out of ten.

The debaters did a tremendous job. Let's give them a hand!

FORENSICS

With spring comes Forensics as many students know. The local Forensics meet was held on March 11, 1960 with 30 students competing. From these 30 the ten highest were chosen to represent Gladstone in the District meet at Kingsford.

Out of the 16 superior ratings awarded at the District meet, six were taken by Gladstone students. These six people went on to the Regional meet at Northern Michigan College where Mary Johnson and Cheryl Stade received superior ratings. Other students participating in the Regional meet were: Karin Johnson, Gayle Davis, Tom Butch, and Sally Hupy.

The Forensics meets will be held again next year in the spring and it is hoped that many students will participate.

This year's goal was to boost the morale of all the students and to get everyone to "yell" so as to give the backing to the team which they so richly deserve.

2. "C" or better in all other subjects.
3. No lower than a "2" in citizenship in any subject.

This club is valuable especially because it provides another area in which many boys are able to express themselves.

The Letterman's Club was very active in school activities this year. On Halloween they patrolled the streets to safeguard the children against possible harm.

The boys sponsored the Dad's Day Lunch after the football game. Also, they directed traffic at the ice fishing derby and last fall participated in the clean-up campaign.

At Easter time the club grouped together to help the crippled children by selling Easter Seals.

As a new project the club decided to buy a trophy and award it to the best all-around senior boy athlete each year.

ENOTSDALG

The Enotsdalg is now in its third year in Gladstone High School. This year's officers were: Linda Nyberg, Editor; Linda Apelgren and Kathy Roberts, Co-Editors; Lucinda Oja, Business Manager; Wanda Thorbahn, Student Advisor.

This year the Enotsdalg has been changed to some extent. Articles have been written on news of the whole town and not just the news in the high school. Special attention was given to each of the holidays, with special papers published.

After each semester of work, a member earns a pin, and a certificate is earned at the end of the year.

The chorus of Gladstone High School is one of the most outstanding high school groups. This year, as years before, many rehearsals were held during the fourth hours. After much practice the chorus, under the direction of Mr. Cowen, presented a well-received concert with the band on December 5.

In April, the hard working students attended the Chorus Festival in Escanaba, where they sang, "Bless Thou the Lord" by Ivanow, "You'll Never Walk Alone" by Rodgers, and "The Sleigh" by Kountz.

LEADERS OF THE BAND

DRUM MAJOR: Michael Newman

TWIRLERS: C. Fisher, C. Hoverman, L. White, K. Walker.

COLOR GUARDS: J. Noggle, G. Hupy, W. Smith, R. Dabney, R. Holmberg.

FOOTBALL

FIRST ROW: B. Grenier, M. Hammond, J. Schram, G. Kircher, G. Sodergard, J. Shiner, S. LeClaire, J. Grenier, J. Sabourin, C. Young, J. Niedermaier, D. Fraid.
SECOND ROW: Mr. Pfotenhauer, F. Bovin, M. Bricco, P. Kelly, D. Ryan, T. Vanlerberghe, D. Beck, A. Gagnon, S. Sutter, B. Anderson, J. Rose, M. Kaufman, Mr. Hirn.

Our G. H. S. Braves began this football year with only one letterman who had seen any action offensively and two who had played defensively.

Our first game was with an experienced Norway team that had a regular and letterman in each position. They scored on two breaks and beat us 14-0. We displayed a rugged defense but couldn't get our offense moving.

The second game was against a strong and very fast Newberry team.

Our next foe was Ishpeming who took us 19-7. In this game we scored first on a pass from Schram to Butler and held the lead until the last few minutes of the third quarter when they over powered us.

Out of the frying pan into the fire. Our next foe was the Great Lakes Conference Champs, Escanaba. Gladstone displayed a rough and tough defense but couldn't get going offensively against a tough Esky line.

Next came Munising and we completely dominated the play and upset them 19-13.

Manistique once again proved to be tough for us also and defeated us 33-0.

Next we played Stephenson at Sawbridge Stadium and they won their Homecoming game 26-13. Our Homecoming game was the last of the season with a new opponent, Baraga. Our team played a fine football game and walked off the muddy football field with a 19-7 victory.

M. Kaufman

To the seniors, Schram, Hammond, Niedermaier, Shiner, Rose, Grenier, Sabourin, Fraid and Anderson; a job well done. To the underclassmen; next year will be another season.

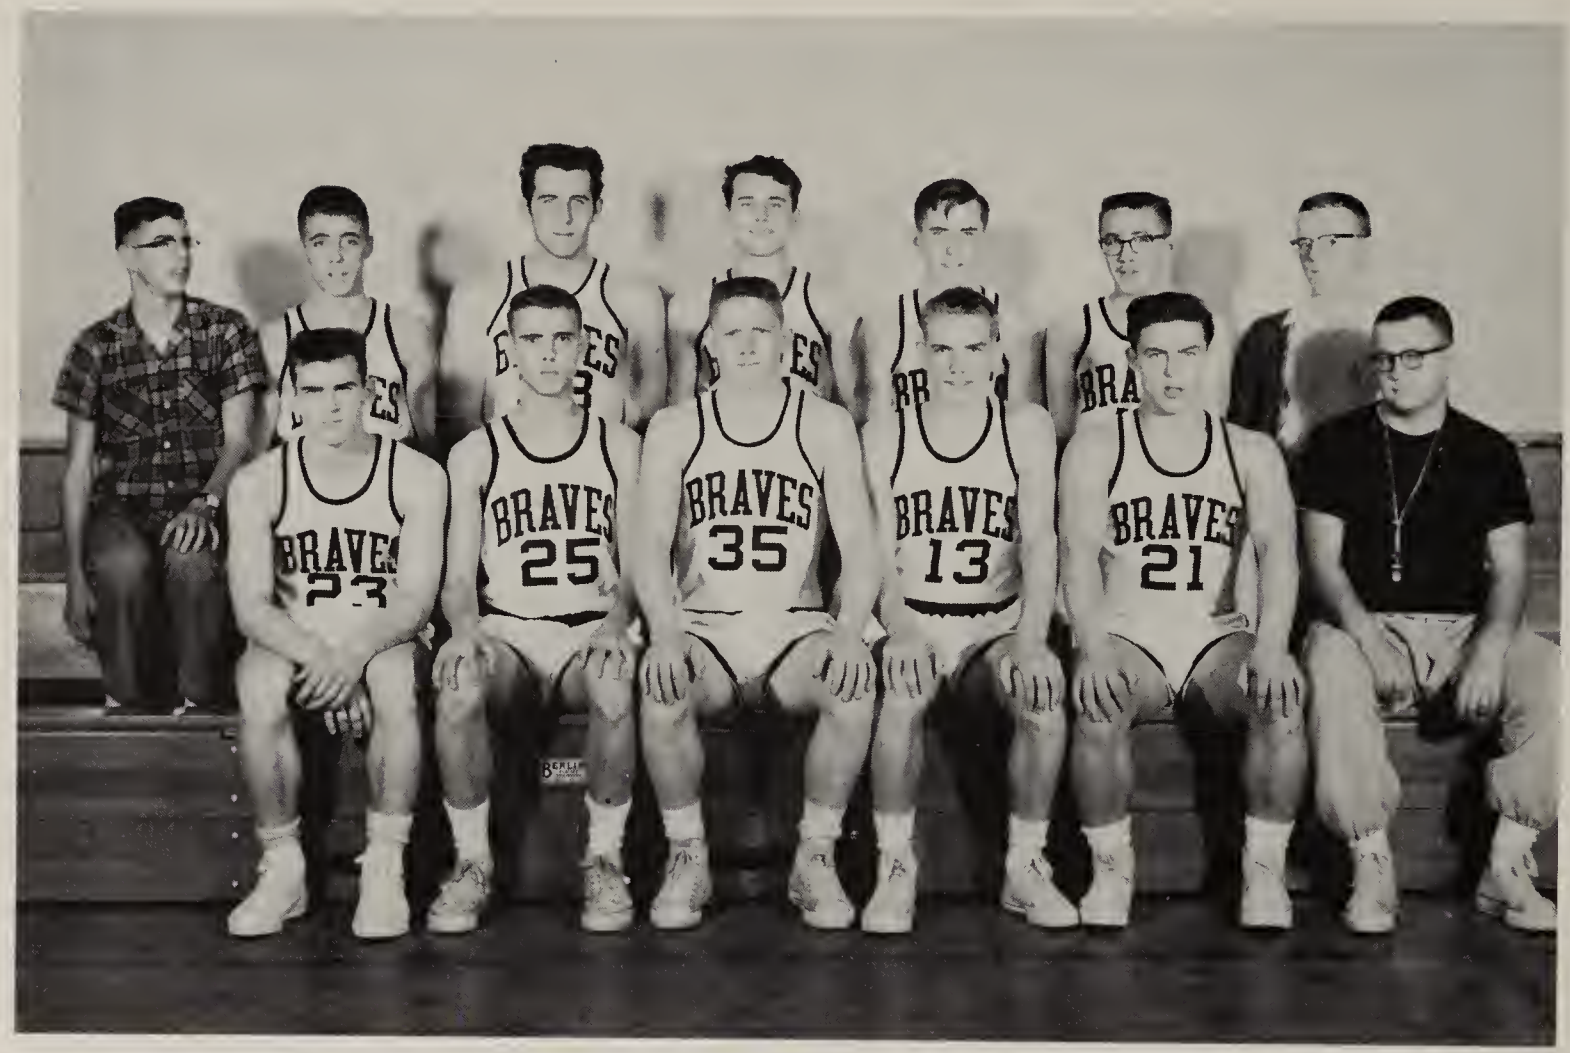
BASKETBALL



FIRST ROW: M. Hammond, K. Aicher, G. Kircher, P. Kelly, R. Butler, Mr. Wood.
SECOND ROW: M. Kaufman, J. Radicker, A. Gagnon, G. Sodergard, T. Vanlerberghe, D. Smith, B. Grenier.

The season opened with our youthful Braves at Negaunee where experience and speed led the Miners to a 62-50 win. Holy Name proved to be a hostile host in a 63-38 win over us. We bounced back and ripped Manistique in a great team effort of 73-71. Munising and Newberry were ragged defeats. Stephenson, in the midst of a depression, fell before our Braves, 48-42. Escanaba proved why they were conference champs by beating us 97-46, and Rapid River pressed well in a 83-58 romp. Ishpeming hit an amazing 21-33 score in the first half and coasted to a 76-51 victory. The Braves notched their third victory of the campaign against highly rated Norway. The next two games against Escanaba and Holy Name were defeats. Then Marquette had a tremendous effect over us and won easily, 89-72, in a wild and very exciting game. Manistique obtained revenge with a 75-57 victory over us. In a surprising comeback, we defeated the highly rated Sault. This was a year of learning for our young Braves but next year will bring a bigger and better season.

Mr. Keil is the coach of the team, and he deserves a hand for the fine job he did.
